

Electric For All Campaign Sponsorship Levels

Veloz is a visionary nonprofit focused on accelerating the electric car movement through public awareness and education in order to fully realize the environmental and public health benefits of moving toward electric transportation and away from fossil fuels.

Join us in launching the largest and most innovative, multi-stakeholder public awareness campaign on electric cars in the United States. We invite everyone to be part of the movement to achieve electric for all. Veloz offers four campaign sponsorship levels.

Apex Sponsor - \$1 Million+

Terms

- Veloz has applied to the Internal Revenue Service for recognition as a 501 (c)(3) tax-exempt charity. Currently, Veloz is fiscally sponsored and is pleased to offer four different Electric For All public awareness campaign sponsorship levels.
- All member benefits are provided consistent with Internal Revenue Service rules on corporate sponsorships so as not to constitute advertising under Treasury Regulations Section 1.513-4.
- Logos or emblems on products may be obscured to comply with IRS rules on direct benefits and advertising. Veloz will use multiple sponsors' products for the public awareness and education campaign to comply with sponsorships requirements.
